General Information

The purpose of these guidelines is to guide LOC Functional Areas through the Accreditation process for Khaleeji27 and to outline the general accreditation rules and requirements.

Please read this document carefully to avoid any misunderstandings and delays in the Accreditation process.

The Accreditation card is required in the following venues during the lockdown period.

Competition Venues	Code
King Abdullah Sport City Stadium	KAS
Prince Abdullah Al Faisal Stadium	PAF

Non-Competition Venues	Code
King Abdullah Sports City Indoor Hall	KAH
Training Sites	TRS or relevant pass
Main Media Centre	MMC

The Accreditation activation timeline is explained in the graphic below:

The purpose of Accreditation is to identify individuals and their role, to allow them the necessary access to perform their functions at Khaleeji27 Arabian Gulf Cup 2026.

Accreditation is not an external sign of privileged status but a necessary working tool to manage the large number of people participating in official events and to facilitate their movements in a flexible way and with full security.

Zoning & activation

During the Exclusive use period access to the venues is possible only with an Asian Cup accreditation device. Accreditation devices are valid during the entire Exclusive Use Period although access is restricted to certain groups and pass types depending on the day/period.

- Non-Match Days (NMD): On NMD there are no accreditation zones activation.
- Match-Day (MD): On MD accreditation zoning is active during the following periods:

Accreditation process

Roles & Responsibilities

Suppliers Accreditation process

Note

The Suppliers submit their applications directly on the Accreditation system either individually or in bulk

LOC Staff & Volunteers Accreditation process

Staff and volunteer personal information, photographs, and functions will be transferred from the WKF/VOL system, Rosterfy, to the ACR System.

Once the records are transferred into the ACR system, the Accreditation specific information (venue access and zone privileges) will be added to produce the Accreditation cards. If an individual is not registered in the WKF system, their record would not appear in the ACR system and therefore cannot be accredited.

Privileges are discussed and agreed with the ACR team, the FA Head and the zone owners.

Lost or Stolen Accreditation cards

In the event of a lost or stolen Accreditation card, the card holder must report the loss or theft within 24 hours of the discovery or incident to the Uniforms & Accreditation Centre.

Participants will be required to complete and sign a Lost/Stolen Accreditation Card Declaration Form. In addition, the participant must present their valid ID document (the one used for his/her initial accreditation application) to verify their identity.

Accreditation card reprints will be processed on a case-by-case basis. The relevant Focal Point/or Accreditation Liaison Officer will be contacted by the Accreditation staff member, and if approval is granted, a reprint of the individual's card will be issued.

Keynote

The process of replacing a participant's Accreditation card automatically cancels any previously issued Accreditation card. Any lost cards which are subsequently found will not be valid and must be returned to the Main Accreditation Centre at the earliest possible opportunity for secure destruction. Any attempted use to gain access to an official venue with a found card will be considered a violation of the of the GFF Guidelines and LOC Asian Cup 2027 Saudi Arabia. [Accreditation Terms and Conditions](#) may result in consequences as deemed appropriate by the relevant Authorities.

Card revocation policy and procedure

Policy_ACR_04 - Accreditation Card Revocation

The purpose of this policy is to define the circumstances under which an accreditation card may be revoked across all official sites, including Competition Venues (CVs) and Non-Competition Venues (NCVs), such as Team and Referee Training sites. Revocation of an accreditation card can only be actioned at the request and approval of a suitable designated authority.

This policy defines who has authority to revoke or request the revocation of an accreditation card, and which types of behavior or actions may lead to such a decision. An accreditation card can be revoked when deemed necessary for a breach of, or non-compliance with, any applicable policies, procedures, rules, regulations or terms and conditions, or in the event that the circumstances which qualified the accredited party to obtain accreditation are no longer applicable. The GFF and the LOC, in common, reserve the right to revoke an accreditation card at their sole discretion.

Policy Description & Rules

Set out the rules, principles and standards that must be applied.

Reasons for Revocation:

- Unlawful or endangering behavior deemed by Authorities (e.g. GFF/LOC Senior Management, Venue FA Leads, or an authorized representative of GFF/LOC SEC, State Security, Private Security)
- Breach of Workforce Code of Conduct or prohibited actions

- Use of pass in contravention of *GFF Guidelines and LOC Asian Cup 2027 Saudi Arabia Accreditation Terms & Conditions* including abuse of access privileges and obtaining the accreditation card in any way other than
 - the official application process.
 - Unauthorized or fraudulent alterations to the pass
 - Unauthorized use of the pass for purposes other than accreditation

Revocation Process

Competition venues

- Decision for temporary revocation must be taken by VOC (FA representatives observe the case and communicate to VOC. VOC sends Security personnel to temporarily hold the person. VOC makes internal investigation. VOC checks/asks with ACR the following:
 1. Validity of the Accreditation Card
 2. Based on the investigation results, VOC decides whether to:
 - a) Reinstate the accreditation, or temporarily deactivate the card;
 - b) Temporarily block the card from reprinting.
- If VOC considers that the card should be permanently revoked, VOC escalates to MOC and asks MOC to decide on permanent cancellation of the card concerned. In case of escalation to MOC, Security personnel must escort the person outside the venue security perimeter. Further disciplinary actions to be assessed by MOC/VOC.
- Involvement of FA Lead, Venue FA representative, LOC Venue Security Manager, VOC and MOC as described above.
- Volunteers or Staff incidents involve Venue WKF Lead, central HR team, or Workforce Coordination Centre if no WKF team on-site

Non-Competition Venues

For Non-Competition Venues (e.g., Training Sites and Hotels), the revocation process follows the same steps, with the final decision on revocation escalated to the MOC for approval.

Upon Revocation

MOC decides whether to cancel the accreditation electronically or to return it to the accreditation card holder. Based on MOC's decision, the request for cancellation of accreditation will be submitted to LOC ACR Managers on site through VOC.

Exclusions

State Security accreditation cards removal is excluded from this policy.

Keynote

Accreditation card is a privilege, not a right. Failure to comply with Terms & Conditions results in revocation, cancellation, or confiscation.

Access Management

The Access Management team has the responsibility of:

- zoning the stadiums in cooperation with VUM, SEC and the zone owners
- producing and installing all Access boards at all access points to all accredited venues
- providing training material and participating in the training concept of SEC
- running random zone access checks throughout the Tournament

4.1 Accreditation passes

Accreditation Type	Description
TOURNAMENT PASS 	Pass Information Tournament pass is a personalised pass that includes participant Photograph, Given Name and Family Name, Organisation, Category Colour and Name, Access Zone privileges, QR code. Validity: Tournament pass is valid for the entire operational period of the venue concerned, starting from the first day of the Exclusive Use Period until the end of the Period at the respective stadium and it can be used on Match Day (MD) and Non-Match Day (NMD). Mandatory use during the lockdown period. Distributed by: Accreditation To be collected from a designated Accreditation facility in Jeddah either Individually (e.g. LOC Staff, Volunteers, Media) or in bulk for other client groups such suppliers, broadcasters, etc
TWO-PART PASS 	Pass Information: ✓ The First Part pass is a personalised accreditation that includes participant photograph, given name and family name, organisation, QR code. It is always carried by the accredited participant. The pass shows the photo and name of the pass holder, the organisation for which the pass holder works and the accreditation category colour and subcategory name to which the pass holder is assigned. ✓ The Second Part pass is the Access Card and contains category, zones, venues, organisation and QR code. The Access Cards are managed by the organisation and/or project to which the Accredited Party belongs. Validity: To access venues and zones, both the First- and Second-part pass combined are required. The Two-Part pass is valid for the entire operational period of the venue concerned, starting from the first day of the Exclusive Use Period until the end of the Period at the respective stadium and it can be used on Match Day (MD) and Non-Match Day (NMD). Mandatory use during the lockdown period. Distributed by: Accreditation ✓ The First part card is collected either individually by the participant or in bulk by the ALO, from the UAC, upon invitation from the ACR team. ✓ The Second part (Access card) is delivered in bulk to the supplier from the UAC, upon invitation from the ACR team.

DAY PASS 	Pass Information: The Day pass is an impersonalized pass to be used during the Accreditation activation period granting entrance to the venue to a non-accredited individual for a limited time. Its usage must be considered an <u>exception</u> for emergency or <u>unique cases</u> only. Validity: During the lockdown period Distributed by: Venue Management The process: The Venue FA Manager requests the Day pass from the Venue Manager justifying the need. The Venue Manager provides the pass ensuring its return. In case of no return, the pass is cancelled.
DELIVERY PASS 	Pass Information: Delivery pass is an impersonalized pass for people who need to enter a lockdown venue only to deliver or collect items, not to attend the match or work inside operational areas. It's issued to: ✓ Suppliers dropping off merchandise or materials ✓ Production or broadcast logistics teams delivering gear Validity: During the lockdown period Distributed by: Logistics The process: The delivery vehicle arrives at a designated gate. ✓ Security checks the delivery pass and ID. ✓ The person is escorted or restricted to certain routes. ✓ The pass may need to be returned when exiting. ✓ It often requires pre-registration of vehicle plate numbers and driver details.
BUMP IN & OUT PASS 	Pass Information: The Bump In & Out pass is issued to authorized personnel requiring access to venues before and/or after the lockdown period of the stadiums. Validity: During set up and dismantling phases Distributed by: Venue Management The process: The VUM team would distribute in bulk to the FAs the number of passes agreed and keep track of the number of passes and slots of serial numbers as per "FA collection tab". It will be the responsibility of the FA to fill in and distribute to their staff and suppliers the passes and keep track of all distributed passes, as per "Supplier-Staff collection" tab. It is important that all information required on the pass is filled in with accuracy and in readable size and characters, either with a pen or a marker. For further information on the Bump In and Out passes, please refer to the ACR procedure 05.

TEAM SITE PASS 	Pass Information: The Team Site Pass is impersonalised and Team specific, valid only at the Teams training sites. It shows the Team trigram and a unique serial number for tracking delivery to individuals. Validity: During the lockdown period Distributed by: Team Services to the TLO. The process: Each team is entitled to a maximum of 15 cards. All 15 Team Site Passes handed over to TLO (Team Liaison Officer) and are managed by each Team.
TRAINING SITE & HOTEL PASS 	Pass Information: The Training Site & Hotel Pass is impersonalised and is valid from 60 minutes before the team arrives for training, until the team has left the training site. Validity: During TRS or HTL activation code Distributed by: Security. The process: The pass grants access to accredited participants without the TRS, HTL codes or Team trigram, on their Accreditation card or to non-accredited individuals upon SEC approval.

4.2 Additional Access Devices

Access Device	Description
UPGRADE CARD 	Card Information: Non-personalized pass to be used together with a valid Accreditation Card, authorizing additional access to zones not printed prior on the Accreditation Card. DO NOT grant access to enter any stadium. Validity: During zone activation Distributed by: Distributed by FA zone owner The process: 1. ACR captures the requirements from the FAs for their LOC staff, volunteers and suppliers 2. ACR shares the FA requests with the zone owners 3. Based on the requests submitted, the zone owners inform ACR on the number of Upgrades they will require per zone 4. ACR produces the Upgrades and delivers them to the zone owners centrally 5. The zone owners manage the Upgrades: ✓ By distributing them to the respective Venue Zone Owner Managers ✓ By deciding which FA will receive Upgrades permanently to self-manage and which will be handled by the zone owner.
MOC PASS 	Pass Information: Members or Guests must be accredited for KAH to access the MOC spaces. Validity: During MOC operational period Distributed by: Main Operations Centre The process: Accreditation team prints the cards according to the headcount provided by the MOC team. MOC team manages and controls the distribution.

A PASS 	Pass Information: The Accompanied Visitor Pass (A Pass) is impersonalised and provides to the holder the same rights/privileges as their chaperone; it will only be valid when used with a chaperone possessing valid accreditation. The pass is valid only on Match Days, to a person already inside the stadium. Validity: During zone activation Distributed by: Accreditation to specific client owners such as Protocol, Commercial, AGCFF, etc. The process: The A-Pass is distributed to individuals (guests or ticket holders – no Media) who do not have accreditation or do not have the access rights for a certain zone and need to enter the zone for a short period. This could include guests that require short-term pitch access. All persons with an A-Pass must be always accompanied by an accredited person with the correct access right. The accredited person will be responsible for the “accompanied person” and must collect and return all passes to the Venue Accreditation Manager when they are no longer needed. Note: The A-Pass does not provide access to enter the security perimeter on MD – it can be used only for people with a ticket or another access device which permits access to the security perimeter. Note: <i>The only accredited people who can request an A-Pass and act as a chaperone are the Venue FA managers of each stadium and the appointed people from LOC Management.</i>

4.3 Wristbands

Access Device	Description
VIP / VVIP WRISTBAND 	Wristband to be provided to all participants with Guest privileges in the VIP/VVIP spaces. It is Match specific. It is an identification device not an access one. ACR recommendation is for this wristband to be used by the Protocol team as the tool to identify the guests from the staff. The Accreditation card is a working tool and should not be accepted by the Protocol team as a device for the accredited participants in the VIP/VVIP lounges and seating areas for any other purpose. If an accredited participant is in the VIP/VVIP zones to eat and seat he/she should have the wristband. Recommended process: Guest with invitation/ticket arrives at the VIP/VVIP entrance. A hostess checks the invitation/ticket and hands the wristband. Guest wears wristband during his/her entire stay at the stadium for easy identification of his/her status as guest and the privileges that come with (access to the buffet, to the seating, etc.). Accredited participant with Guest status (stakeholder, LOC senior management, LOC/AGCFF guest, LOC/AGCFF senior management, etc.) is identified by PGM and a wristband is handed to them to be worn at all times so their status with Guest privileges is acknowledged and differentiated by the accredited participant working in that space. Distributed by: Protocol Important note: A non-accredited guest that needs to be moved between zones, should be moved with an A-pass.
YOUTH PROGRAMME WRISTBAND 	Wristband to grant access to the stadium to the Youth Programme participants accessing <u>with</u> LOC staff responsible for the Youth Programme. Allow also access to their waiting area and Pitch. Distributed by: Commercial

PRE-MATCH CEREMONY WRISTBAND 	Wristband to grant access to the Pitch for flag bearers and pre-match activities, not valid after KO. To be used as a Supplementary access devise (SAD) in combination with either and Accreditation or the Youth Programme wristband since this SAD does not grant access to enter the stadium. Distributed by: Ceremonies
OPENING CEREMONY WRISTBAND 	Wristband to grant access to the Pitch during the opening ceremony. To be used as a Supplementary access device (SAD) in combination with either and Accreditation or the Youth Programme wristband since this SAD does not grant access to enter the stadium. Distributed: Ceremonies
AWARD CEREMONY WRISTBAND 	Wristband to grant access to Pitch during the awarding ceremony, valid only for the final match. To be used as a Supplementary access device (SAD) in combination with either and Accreditation or the Youth Programme wristband since this SAD does not grant access to enter the stadium. Distributed by: Ceremonies
